Police crackdown on drugs dealers

by Trevor Bevins

NINE arrests have been made, with three charged and two bailed, following police raids in Weymouth – in the ongoing battle to tackle the town's drug dealers.

Four are still assisting police with their enquiries.

Police battered down doors at a number of homes on Monday – where their entry was refused.

Four properties were raided and six people, aged between 37 and 52, arrested on suspicion of drug misuse and supply offences.

Police are appealing for residents suspicious about possible drug

dealing or other criminal activity to continue contacting them with information.

Weymouth and Portland Neighbourhood Inspector Pete Browning said: "These warrants

ORIGINALLY from Sussex, WENDY LOWIS and her husband Howard moved from London to Exmouth to open a bed and breakfast to be closer to her parents 15 years ago, and they then bought her parents' house in Charmouth last year.

After studying film and theatrical make-up, she enjoyed brief career as a make-up artist before getting into the field of training, marketing and development.

She now runs courses in goal setting and dream dynamics and creates her own line of jewellery.

● TELL us a little about your career background in London...

I MOVED to London when I was 17 and lived there for 20 years. My first job was on Kings Road as a receptionist for a powerful photographers' agent who had world-class photographers on the books.

I was a little shy to say the least! I was constantly putting people through to the wrong extension and didn't last very long in the job!

I then did a course in film and theatrical make-up and enjoyed a brief career as a make-up artist. Eventually, I got into the field of training, marketing and development, working originally for a marketing company and then for a management training company, eventually setting up a recruitment and training consultancy in 1994 specialising in recruitment, public speaking skills and goal setting training.

● WHAT did you enjoy about your work?

I LOVE people and really enjoy facilitating people to grow. It was interesting to meet so many different kinds of people

● YOU then moved to Devon and opened a bed and breakfast – what inspired such a lifestyle change?

MY MUM'S illness, we also wanted a better quality of life and we both wanted to try a new life and pursue more artistic endeavours.

Howard wanted to have more time to write and sing songs. I wanted to paint, write and design jewellery. The B&B seemed a nice way to make a living. It was fun and we enjoyed meeting lots of people, some of which became good friends.

It was also a welcome break from the fast track life we had in London, which we both felt we had enjoyed when we were young, but as we were getting older we missed the beauty and tranquillity of the countryside.

● WHAT do your goal setting and dream dynamic workshops entail, and how can people benefit from them?

MY AIM is to make all the workshops as easy and as comfortable as possible so that the workshops are fun

and enjoyable, and at the same time ensuring the aims of each participant are met.

The benefits people can achieve would, firstly, be to focus on what they truly want to achieve, by becoming

60 SECOND INTERVIEW

clear about their objectives and being able to see an action plan of how they can create them in a more motivational and energetic way.

The dream dynamic side of the workshop is there to see if there is anything else that inspires them, that could make a difference to their future plans.

I use the analogy of cooking a cake; I don't want people to leave the room half-baked! It also helps that people are in a lovely environment with a sea view. It allows people to let their guards down and completely participate in the process

The workshop so far had good feedback, and I am looking forward to doing more of those workshops in first quarter of next year.

● DO you have any more courses or workshops coming up?

YES, I am planning the next workshop in early May titled, 'Public Speaking Skills for Business and for Pleasure'.

I am currently looking at the format of it: I am debating whether it is better to do it all in one day, or is better suited as a series of two or three workshops spread over three weeks.

It will be for anyone who wants to feel more comfortable and confident speaking to an audience. I am offering the possibility to train people on a one to one basis, which sometimes is more comfortable for people starting out public speaking.

● HOW did you first start making jewellery?

I DID three years of one morning a week at Bicton agricultural college. I enjoyed working with colour and textures and the creative aspects of the course inspired me to start making jewellery back in 2004.

● WHAT kind of jewellery do you make and is it available to buy?

I MAKE mainly beaded jewellery using silver, gemstones and pearls. Each year I try and do something different, and this year I am making suede lariats. I have sold through the Marine House Gallery in Beer for the past 10 years, and now sell through the Colmers Hill Boutique on the Symonsbury Estate, recently designing some jewellery for a fashion show. I also do parties, fairs, and can design and make jewellery specifically for special occasions

● WHAT do you enjoy doing in your spare time?

I ENJOY socialising, films and theatre, singing, reading, walking and gardening and painting and writing

● WHAT do you enjoy doing in your spare time?

THE beauty of the sea and countryside, the sublime peacefulness of the area, and the ancientness of the cliffs. It's inspiring! Also there are plenty of fun activities to get involved with.

■ WEYMOUTH beach after the storm

Storm batters coast

MOTHER Nature has dealt Weymouth a blow this week – creating new terraces of sand on the main beach and producing a serious crack in a cliff to the East of the town.

The weekend stormy weather piled up sand on the beach up to a metre high with at one kiosk owner having to build a defensive wall around the outlet to protect it from the waves.

The problems come only weeks after thousands of pounds were spent re-grading the

beach in time for the traditional Easter start of the season.

Council engineers have looked at the results of the storm and will now have to decide if they can afford, or need, to bring the heavy machinery back in – or let nature take its course and restore the beach to its pristine, smooth condition.

Beach Manager for the Borough Council, Kevin Good, said that the authority would be starting some “cosmetic” remedial work over the next couple of days, and would continue to monitor the situation over the coming weeks as the main tourist season approaches.

Meanwhile coastguards have warned

walkers to stay clear of a partially cliff collapse between Bowleaze Cove and Redcliff Point to the East of the town.

A gash at least 15 metres long has opened up near the top of the cliff, within yards of the South West Coast Path, and has slumped about a metre downhill.

There are fears that the gap could become bigger and a large section of cliff fall down.

On Tuesday there were no warning signs in place and several dog walkers were seen within yards of the split.

Coastguards are asking people to take another path, clearly visible, away from the edge as they either head towards, or away from Bowleaze Cove.

Weymouth and Portland to go to the polls

NEXT month's Weymouth and Portland elections are being seen as a test of Labour under new leader, Jeremy Corbyn.

With both Labour and the Conservatives fielding candidates in each ward it would be possible for Labour to become the largest party in a hung council.

But if the Conservatives improve their current status of being the largest party they could take overall control.

In all 44 candidates will be contesting 13 vacancies in 12 wards on May 5th. Weymouth and Portland Borough Council elects by thirds and the current balance of power is Conservatives 14, Labour 13, Liberal Democrats six, Independents two and UKIP one.

Both Conservatives and Labour are fielding 13 candidates, Greens seven, Lib Dems seven (in six seats), UKIP three, Independent one.

Jeremy Corbyn visited the area recently to launch Labour's local Government fightback in the South West.

The candidates standing for election are: LITTLEMOOR: John Victor Tomblin (Green); Ann Linda Rosina Weaving (Lab); Clare Louise Williams (Con); MELCOMBE REGIS: Shenis Cant (Con); Daragh Edwin Croxson (Green); John Douglas Morse (UKIP); Tia Roos (Lab); PRESTON: Ian Cameron Bruce (Con); Robin Malcolm Vaughan (Lib Dem); Elaine Dorothy Walker (Lab); RADIPOLE: Derek Roy Fawell (Green); Tony Ferrari (Con); Ian Roebuck (Lib Dem); Kay Susanne Wilcox (Lab); TOPHILL WEST: Katharine Garcia (Con); Ray Nowak (Lab); UNDERHILL: David Hastings (Con); Sandy West (Lab); WESTHAM EAST: James Robert Askew (Green); Mike Byatt (Lab); Sally Maslin (Lib Dem); Alec Roy Nicholls (Con); WESTHAM NORTH: Ryan Dean Hope (Lib Dem); Gary Seymour (Con); Kieron Womble (Lab); WESTHAM WEST: Michelle Hind (Con); Angela Mary McCarthy (Lab); Gill Taylor (Lib Dem);

WEYMOUTH EAST: David James Knight (UKIP); Peter O'Neill (Con); Jonathan Martin Orrell (Green); Tony Prowse (Lab); WEYMOUTH WEST: Brian Heatley (Green); Colin John Huckle (Lab); Richard Douglas Nickinson (Con); WYKE REGIS: Kerry Baker (Con); Steve Cobb (Ind); Lee Dalton (Green); Sybil Drake (UKIP); Lucy Hamilton (Lab); Andrew Knowles (Con); Howard Richard Legg (Lib Dem); Gillian Pearson (Lib Dem); and Kate Wheller (Lab and Co-operative).

■ Polling cards for the May Weymouth and Portland elections are being re-issued after many contained the wrong information.

The error first came to light in the Preston area where cards told some voters that they had selected a postal vote, when they had not.

The borough council say around 4,000 cards are now being re-printed and will be sent out in time for the May 5th election.

■ A CRACK has appeared in Redcliff with walkers risking their lives by walking close to the crack

were carried out as a direct result of police intelligence and information from the community about alleged drug dealing.

“As part of ongoing police work, officers will continue to listen to communities and we will continue to keep the pressure on suspected individuals in a bid to rid our streets of drug dealing and misuse and the anti-social behaviour that goes with it.

“Today we are sending a very clear message to anyone suspected of drug dealing that you be arrested.”

Over the last two years Dorset Police has worked with other agencies under the banner of “Op Champion” to tackle criminal activity in Weymouth and provide reassurance to residents.

Since it was launched in November 2013 there have been more than 300 drug-related arrests in Weymouth. In the majority of searches carried out under the Misuse of Drugs Act, drugs including heroin, crack cocaine and cannabis have been seized. Some of those individuals arrested were linked to organised criminal gangs based in Dorset and London.

Inspector Browning continued: “We take the concerns of the public very seriously and we will continue to work closely with members of the Weymouth community to keep the town safe and proactively deal with information relating to drugs offences and other criminal or anti-social behaviour.

“I would urge members of the public who may have concerns, suspicions or any information about the misuse of drugs to contact Dorset Police on 101, or the free and anonymous Crimestoppers line on 0800 555 111.”

Graham Duggan, Head of Community Protection at Weymouth & Portland Borough Council, said: “We are wholly supportive of the actions that the police are taking in the borough.

“It is vitally important to our communities that we get drugs off the streets and tackle the associated crime that comes with drug use and dealing.”

Following the raid on Monday, three people have been charged. They have been described by police as a 52-year-old woman of no fixed abode, charged with the supply of controlled class A drugs; A 40-year-old Weymouth man, charged with the supply of controlled class A drugs; A 38-year-old Weymouth woman, charged with the supply of controlled class A drugs.

All three were due to appear at Bournemouth Magistrates Court yesterday (April 12th).

A 49-year-old man and a 47-year-old man, both of Weymouth, who were arrested on suspicion of possession with intent to supply a class B drug, have been bailed until early June 2016.

Further arrests made following the raid include a 27-year-old Weymouth woman, who was arrested on suspicion of supplying a controlled class A drug; A 30-year-old Weymouth man who has been arrested on suspicion of supplying a controlled class A drug; A 25-year-old Liverpool man who has been arrested on suspicion of possession with intent to supply controlled class A drug and a 37-year-old man of no fixed abode who has been arrested on suspicion of supply of controlled class A drug.

All four are helping officers with their enquiries.

Summer bus timetable changes are introduced

FIRST Bus have announced changes to their services over the summer months, which will begin on Sunday, May 8th.

First's summer timetable will be split into three sections with the X51, X53 and new X52 and X54 buses covering the areas between Poole and Exeter.

A spokesperson for the bus operator said: "We are splitting it up to a certain extent, the X51 and X53 will operate hourly, between Axminster and Bridport it will be half hourly and then hourly to Dorchester and Hourly to Weymouth.

"The section between Bridport and Lyme Regis to Exeter will become the X52 and that will op-

erate roughly every two hours and the other end between Weymouth and Poole will become the X54 and that will operate every two hours.

"The main reason we have done this is because two thirds of the passengers on those services are concessions and we get paid very little for concessions.

"The services were registered in different sections – we can re-book every concession on those bits so what it will mean is if somebody was travelling all the way from Poole to Exeter they would have to show their pass three times and we would get three concessionary fares."

"If you are a paying passenger,

the fare is the same all the way through.

"What it will mean, we hope, is that we will be able to retain the network of services we have got along the coast for the future."

First have also added some later journeys with the last X51 bus from Axminster to Bridport being 8.30pm and the last from Dorchester South station to Bridport will be at 8.10pm.

The last X53 from Weymouth to Bridport will now be at 9.40pm, which will also enable those in Dorchester who have taken the 6.05pm train from London Waterloo to take the number ten to Weymouth and get the X53 to Bridport.

Police host event to promote bike security

DORCHESTER police are holding a free bike security marking event on Saturday, April 23rd at the town's library on Charles Street between noon and 3pm.

Officers say that security marking could help deter thieves as well as make it easier for the Police to return it if it is lost and found or stolen. Advice will also be offered on how to reduce the risk of a bike being stolen.

The equipment used to security mark bikes can also be used to mark horse tack and mobility scooters, which owners are welcome to bring along to the event.

Town to celebrate Queen's birthday with street party

DORCHESTER'S beacon in Salisbury Field will be lit to mark the Queen's 90th birthday later this month.

Other plans for the town include music, a 'street party' and a display of memorabilia.

The Dorchester Area Schools Partnership say their orchestra and brass band may be available to perform at the lighting of the beacon event to be held on Thursday, April 21st.

A large screen has been booked for the 'Picnic Style' Street Party in the Borough Gardens on June 12th and coverage from the Patron's Lunch, held on the Mall in London, will be broadcasted throughout the day.

Dorchester charities that the Queen is patron of, are being contacted and invited to the event.

A local band has been provisionally booked for the early evening with another group to be booked to perform in the afternoon.

Former Town Councillor and three-times Mayor of Dorchester, Leslie Phillips has arranged for his collection of commemorative china to be displayed in the Borough Gardens House.

Dorchester BID will be putting up the flags of the Commonwealth across the town as part of their annual competition to coincide with the birthday celebrations.

NEWS in brief ...

■ MORE allotments could soon be available to rent in Dorchester.

The town council previously had a long waiting list for plots but is about to take on some extra land, and is exploring ways of expanding the number of allotments beyond that.

Town Clerk Adrian Stuart said that at one point there were 300 people on the waiting list – but this had been greatly reduced by halving the size of some larger plots. He said that there had also been a noticeable reduction in people coming forward who wanted an allotment.

■ Up to ten apprentice jobs could be created by community organisations in Dorchester over the coming months.

Previous posts have been created with Dorchester Arts, Age UK and the town council.

Dorchester Town Clerk Adrian Stuart says talks are ongoing with a number of community groups to create the posts.

"There could be between six and ten opportunities this year... typically aimed at school leavers," he said.

■ THE final meeting of the Dorchester Area Community Partnership is being held this week.

The organisation has become a victim of financial cuts and will close with the loss of the organiser's job.

The closure also affects the monthly Dorford Centre lunches, a networking event for those working in the community, although Dorchester Town Council may be able to take over the organisation of the event.

The final meeting is being held this Thursday, April 14th at 11am in the council chamber at Dorchester Corn Exchange.

Man jailed for vicious attack on woman

A MAN who broke into a woman's address and carried out a vicious and sustained attack on her has been jailed for six years.

Jason Williams, 35 and of Weymouth, was sentenced at Dorchester Crown Court on Friday (April 8th), after being found guilty of burglary with intent to commit grievous bodily harm following a four-day trial that began on March 15th.

He pleaded guilty to assault occasioning actual bodily harm on the first day of the trial. He was jailed for six years with a further licence period of an additional five years upon release.

The court heard that

Williams forced his way into the property at around 3.30am on Sunday, September 27th 2015. He clambered up a drain pipe, smashed the landing window and climbed into the house, waking his female victim who was aged in her 30s.

He then began repeatedly punching her in the face and stomach.

As his victim backed away and cowered in the bathroom, Williams continued his attack by head-butting her and stamping on her head.

When Williams left the bathroom, his victim managed to climb out of the bathroom window and on top of a bay window before alerting someone to

call the police.

The victim and offender were known to each other.

Detective Sergeant Steve Broadhurst, of Weymouth CID, said: "Williams forced his way inside the address of his victim and led a vicious and sustained assault upon her.

"Such was her terror and desperation, her only escape was to flee Williams by climbing out onto the roof of a second floor bay window, despite her fear of heights.

"I would like to thank the victim's bravery in supporting the prosecution and I hope that she can now take some comfort in the fact that her attacker will now

JASON Williams, 35 of Weymouth, was sentenced at Dorchester Crown Court

be behind bars for a lengthy period.

"While I do not wish to downplay the seriousness of the significant injuries sustained by the victim during the assault, and the lingering effects this incident has had on her, it is truly remarkable that Williams' actions did not result in a more tragic outcome."

Council powerless to stop cars parking on verges

DORCHESTER councilors have been told there is little, or nothing, legally which can be done about cars parking on grass verges in the town.

The issue was raised by town councillors after an increase in parking on the wide verge off Bridport Road, leaving muddy tyre marks.

Councillor Fiona Kent-Ledger, who initially raised the subject, told colleagues on the town planning committee: "I have got a response from DCC (Dorset County Council) and it's basically case closed."

Councillor David Taylor said that other areas of the town were also affected, including Wessex Road.

County council staff have monitored the situation and put notices in the wind-screens of cars parked on the verge, asking them not to park there.

Town councillors had previously asked the Police if there was anything they could do, but were told that action was difficult, apart from in very specific circumstances.

Is your garden wildlife friendly?

DORSET'S Wildlife Friendly Garden Competition, run by Dorset Wildlife Trust, is being held again this year – but entries close at the end of April.

Now in its seventh year the competition is sponsored by the Gardens Group of Sherborne and Poundbury.

It aims to recognise gardeners who have gone the extra mile to care for their garden and the wildlife in it. Anyone can enter the competition – whether an individual, school group or community group, with a big or small garden.

Dorset Wildlife Trust say that the total area of gardens in Britain is larger than the total area of national parks and say that small, simple changes, can make a great deal of difference to wildlife.

Mike Burks, Managing Director of The Gardens Group, said: "Each year the bar is raised, as previous entrants use the judges' feedback to make improvements that mean their gardens are even more wildlife friendly. We also see many new entrants each year, as more people continue to become inspired by how much they can do to help protect our wildlife.

"The competition is all about encouraging everyone to do their best to nurture wildlife in their gardens, no matter

how large or small, and I take great pleasure in seeing how much impact our wildlife friendly gardeners are having."

Judges who will visit the gardens shortlisted, will be looking to see how much thought and effort has been put into creating habitats for wildlife.

Features such as a pond, a bird box, a long grass area, or a compost heap are just some ideas to help garden wildlife.

This year extra marks will be given to gardens with features to help pollinators, such as nectar-rich plants and to those who garden in the most sustainable way, by recycling, not using pesticides or creating a compost.

There is also a special category for rented properties and Housing Association Tenants, who may not be able to make structural changes to their garden, but are still gardening for wildlife.

Entries to the competition close on April 29th.

All entries are free, with an online application at www.dorsetwildlifetrust.org.uk/wfgc.

Prizes donated by the Gardens Group include a wildlife friendly selection of products, gardening vouchers, books and a winners' plaque.

Becky decided to join Slimming World when her daughter asked if she would support her and Becky's sister Emma also decided to join.

Throughout the year the family did amazingly, firstly Becky's daughter was crowned Young Slimmer of the Year, all three were nominated for Woman of the Year with Becky's sister Emma winning the title after her five stone weight loss.

Next came Miss Slinky and again the ladies found themselves up against each other and this time it was Becky's daughter Jess who won the title with her three and a half stone weight loss.

Slimming World consultant Nicky said: "I just couldn't be prouder."

"As a family they support each other but are also such an inspiration to the whole group every week. Becky has done so well and looks amazing. She deserved the prize."

Carers' group awarded £250 community grant

THE Carers Moving Forward group in Dorchester are the latest recipients of the Bluebird Care Dorset Community Grant scheme.

Chris Scriven, Director of Bluebird Care Dorset, attended the group, which takes place at Age UK Dorchester on the third Monday of every month from 10:30am – 12:30pm, to present the £250 award that is intended to be used to fund a group social outing.

The Carers Moving Forward Group was launched in September 2014 by founder, Enid Evans and provides friendship, support and sign-posting services to those who have been carers and have had to hand over the care of their loved one to someone else.

The group benefit from regular speakers and social activities as well as a cooked meal and the benefits of companionship from those with shared experiences.

Said Enid: "Carers Moving Forward is not your usual Carers group. We aim to support carers in all aspects from information to someone to talk to. What we don't know we will find someone who does."

"At our monthly meetings we have speakers on a diverse range of subjects from laughter to finance. In Dorchester, we stay on for home cooked lunch. Plus, from Spring onwards, we have an outing to somewhere fairly local of interest. Chosen by members. Having this grant from Bluebird care will give us the opportunity to go further afield by covering transport costs. Our aim is to bring a smile to our members' faces, do come and join us you will be made very welcome."

Said Mr Scriven: "At Bluebird Care Dorset we feel it is important to recognise the value of unpaid carers within the community and to promote avenues of support that are available for them both

when they are actively caring as well as through the transition process and afterwards.

"While the care of a loved one can be a very positive and natural thing, it can also bring emotional challenges and the demands involved can cause a carer to feel a mixture of emotions including emptiness and isolation when this period comes to an end. We were therefore delighted to award Bluebird Care Dorset's Community Grant for March to a group for carers able to offer advice and companionship at a time when other support services may be tending to fall away."

Further details about the group are available by contacting 0300 111 3303.

Japanese Knotweed - The legal consequences

As solicitors, Japanese Knotweed has moved from being a warning in the legal press to an issue in day to day practice. It is a non-native invasive plant with incredibly strong root systems (the roots can extend to a depth of three meters and up to seven meters laterally). It has distinctive red stems and flat green leaves. It lies dormant in winter months but grows aggressively from April to October. Recent European Legislation (European Invasive Alien Species Regulation 2014) obliges member states to control and manage invasive alien species, of which Japanese Knotweed is one.

The fundamental problem is that this plant can cause physical damage to buildings and land, is expensive and time-consuming to eradicate, damage biodiversity and result in criminal and civil liabilities for owners and occupiers of property.

The legal implications of Japanese Knotweed are real. Local authorities have the power under Section 215 of the Town and Country Planning Act 1990 to require land owners to remedy the condition of land - failure to comply can result in prosecution, a fine and the costs of undertaking the necessary works. In addition, Local Authorities and the Police can potentially serve community protection notices under the Under-Social Behaviour Crime and Policing Act 2014 for failure to keep Japanese Knotweed under control. It is notable that it is also likely to be classed as a controlled waste during the removal process creating a potential liability under the Wildlife and Countryside Act 1981.

Over and above the potential liabilities listed above, an owner or occupier should not allow Japanese Knotweed to spread onto neighbouring land, because the owner of the neighbouring land may be able to take common law private nuisance proceedings for compensation for the loss and enjoyment, the costs of removal and a continuing injunction against reinfestation. More and more clients are raising

concerns about Japanese Knotweed, both with regards to their own property, but also worried about its presence on neighbouring property. If you have Japanese Knotweed on your land, you need to act fast to prevent it spreading onto neighbouring property and exposing you to a potential claim in nuisance or action by the Local Authority or Police. If your property neighbours another plot with Japanese Knotweed, you may be able to take action to force the owner to deal with it and thereby limit the risk to you.

The potential implications for the value of a property affected by Japanese Knotweed are significant as it can affect the ability to sell the property or obtain a mortgage. Some lenders will not lend against a property affected and others place restrictions on the mortgage. Buildings insurance policies generally do not cover damage and problems caused by Japanese Knotweed.

Civil Proceedings) and can advise you if your property is affected and assist you in dealing with any potential claims against you. If your property is affected by a neighbouring property Saul will assist you in requiring your neighbour to take treatment action and dealing with a claim for the diminution in the value of your property.

Body found off Portland is thought to be missing nurse

A BODY of a woman found off Portland Bill earlier this month is thought to be that of missing junior doctor Rose Polge from Torquay, Devon.

A massive search was launched after she disappeared halfway through a shift at Torbay Hospital and her car was found in a car

park in Anstey Cove in Torquay back in February.

A spokesperson for Devon and Cornwall Police said: "On Friday, April 1st, a female body was recovered from the sea of Portland Headland, Dorset.

"Police are currently working on the belief that the body is that

of 25-year-old missing person Rose Polge from Torquay.

"Devon and Cornwall Police and working with Dorset Police and the coroner's office on this matter and await the results of the formal identification.

"The family of Ms Polge are aware of this latest development."

Council move in to new home

■ WEYMOUTH and Portland council has started a fresh life in its new offices at the Mulberry Centre.

The former arts centre off Commercial Road, Weymouth, has been converted to the authority's new public access headquarters for local facilities and services as part of the council's move from its old site on North Quay which has cost more than £1 million.

Among early visitors on the council's first day at its new offices was Weymouth and Portland Mayor Councillor Christine James (pictured) who said: "I am actually pleasantly surprised.

"It is nice, light and airy and hopefully it will be a home for many years to come.

"It will be a fresh start for everyone not least if we have new councillors elected to the authority on May 5th."

Last chance to comment on petrol station plans

COMMENTS on plans for a petrol station are Weymouth Asda are being invited by the end of this week.

The company hopes to build an automated four-pump, card-only fuel station on the eastern edge of the site.

Documents submitted to local planners say that the development would result in the loss of 25 car parking spaces and would also mean a different lay-out for parking bays around the access road.

Fuel deliveries are expected to be made at quiet times but could

be up to five times a week, depending on demand. The company says there is likely to be a small increase in vehicles visiting the site, if the development is allowed to go ahead.

Comments on the application can be made until April 16th.

Lifeboat aids yacht rescue

A YACHT with three people onboard was rescued by the Weymouth RNLI all-weather lifeboat on Friday, April 8th.

The crew were called out at about 2.30pm to go to the aid of a 30-foot yacht which was in trouble about four miles South of Portland Bill.

The yacht "Wave Magic" was on passage to Plymouth when a problem caused engine failure. Without an engine and being very close to Portland Bill they were swept through the notorious current known as the Portland Race.

Once on scene the lifeboat established a tow and brought the yacht back to Weymouth Harbour arriving at 5pm.

Pictured is the Weymouth lifeboat with the rescued yacht in tow.

Lyme Regis Town Band needs you!

AS many people may know, Lyme Regis Town Band was re-formed in 1981 after a lapse of thirty years, using funds donated by the company who filmed 'The French Lieutenant's Woman' in the town during that year. The band soon established itself as an integral part of the local community and is well known for its regular open air concerts on the Marine Parade in Lyme Regis during the summer and its many appearances in the town over the Christmas period. The band also supports civic occasions, and events organised by the RNLI, the Carnival

Committee, the Rotary Club and the Royal British Legion.

Looking to its future, the band is now embarking on a major recruitment drive as, for a variety of reasons, membership is particularly low at the moment. Chairman, Paul Snowball, explains "Players of all abilities are most welcome to join, including beginners keen to learn a brass instrument, rusty players wishing to return to playing and more accomplished players. The band is particularly keen to encourage ex-band members to consider re-joining. All new

members are assured of a warm welcome and plenty of support and encouragement".

Instruments, music and uniform are provided and there is no charge or membership fee. Anyone interested is encouraged to call at the Woodmead Halls in Lyme Regis on a Tuesday evening, any time between 7.30 pm and 9.30 pm, when the band rehearses. The band has a website at www.lymeregistownband.co.uk or contact can be made via the Band Secretary Mrs Gilly Warr, on 01297 442719, Email: gkwarr46@gmail.com.

PIRATES pose outside the former Devenish Brewery

Pirates prove they can party

PIRATES proved they can party in Weymouth at the weekend.

The annual "Pirates Partay", based around the town's Belvedere pub, brought dozens of pirate enthusiasts to dress up, enjoy music, drink and generally entertain the town and its visitors.

Activities started on

Friday evening in the Belvedere with a pirate quiz and continued, during a break in the rain, on Saturday morning with a

march into town from Hope Square, along the quayside and over the town bridge.

The march was led by a posse of drum-

mers and a black skull and cross bones flag.

In St Mary and St Thomas Streets willing pirates posed for selfies with young

and old alike before retiring back to the pub for music from the Dolmen and the occasional tankard of grog.

Fish and Ships Festival falls foul

By Trevor Bevins

THE annual Fish and Ships Festival at Portland at the weekend had a mixed bag of weather – but still drew in the crowds.

Held at Osprey Quay, the event featured live music and local food and drink and a chance for visitors to take to the sea.

Amongst those who came along with local produce from the local area was Caroline Drever from Dorset Shellfish with a fine display of locally caught seafood, including lobster.

"The weather's not the best, but I am sure we will have a good weekend," said Caroline on Saturday morning, shortly after the heavens had opened just before the start of the event.

Karen Hall from Quiddles Outside Catering was taking a similar view as she cooked up a seafood paella.

For those who ventured forth there was a chance to try out boats and step aboard vessels such as MV Freedom.

Chairman of the Portland Gig Rowing Club, Ron Peach, and his members had brought along three of their four gigs and were offering the chance to try them out.

"We are a relatively young club and currently have about 70 members, with our gigs out almost every day this time of the year, whether it be the juniors, the ladies, or our veterans," said Mr Peach.

"This weekend is all about getting people to use what we've got on our doorstep," he said.

Proceeds from the event will be donated to several causes, including Julia's House and Dementia UK.

The event had to be cancelled on Sunday because of a local strong wind warning.

Organiser Penny Hopkins said: "We were very sorry to disappoint people but it was in the interests of safety as there would have been winds affecting the small gazebos, even if they were fully anchored to the ground."

Weymouth Matters

A personal View by HARRY WALTON

Council's approach to access isn't user friendly to all

■ DECKCHAIRS are the subject of this week's Growing Old Disgracefully piece.

Each summer hundreds of elderly people can be seen throwing caution to the winds on Weymouth Esplanade, easing their drawers and relaxing in the sunshine.

That time of year will soon be here again, so a few timely warnings are needed.

Be careful how you sit down as deckchairs are vicious contraptions and unwary pensioners can face a £25 fee to extricate them if they become trapped when their chosen seat collapses in ruins.

And try and plan your graceful descent into the sitting position. It is no good fancying a cup of tea and coffee after you've sat down because it can take half an hour to be able to stand up again and go for your cuppa.

Also bear in mind that slumping into a deckchair can send your chosen hot drink cascading into your groin. Getting scalded casts such a damper on relaxation and the liquid can also cause rust problems later with trusses and corsets.

In short, relax in a deckchair but don't relax your guard.

A PAINFULLY modest new home for the council has hammered the last nail into the coffin of Weymouth and Portland's regal hopes to remain considered as a serious authority.

The Guildhall is gone, the hideous North Quay offices are now owned by a developer and the last rites for the borough council were formally enacted when its few remaining staff moved to West Dorset or started work in revamped premises at the Mulberry Centre.

This, we are told, is the new "streamlined" look for the council, a money saving necessity which will save shed loads of cash.....and it will need to. Just covering the Mulberry Centre to council use cost a staggering £1million plus, way over initial estimates.

Still, we are encouraged to look on the bright side and be grateful that members of the public still have some sort of access to key services.

Most of that statement is actually true but, as always, the devil is in the detail.

The council has expended much effort to create the impression of "business as usual", but the real effort will be coming from residents because a key part of paring the council's operation to the bone is a far greater emphasis on people access-

ing council services via the Internet.

This is all well and good, but what happens to those who are elderly, disadvantaged or handicapped who not only don't have a computer but wouldn't know how to use one if they did?

There seems to have been a presumption that, if the council says its services can be Internet accessed, then of course they will be, but there is no "of course" about it.

My concern is that many elderly people I talk to are worried about being increasingly isolated by exposure to a new technology they don't trust, don't want and don't understand.

All they know is honesty. They want to know where they have to go and what they have to do to pay the bill they owe or to solve the problem they've got.

They don't like "please choose from the following six options", they mistrust "please log on with your username and password" and they are bewildered by new technology destruction of the way of life they were familiar with.

Sure, everyone has to "move with the times" and many people will be perfectly at ease with a greater emphasis on Internet access to council services, but many will not.

How much money will the council save if its new approach has to be constantly explained to thousands of residents? That in itself will cost staff time and money, whittling away at any gains.

The new council base will have to be a given a chance to prove itself, but all the signs are that there could be as many problems created over queries and access than are solved.

Election system needs an overhaul

LOCAL elections are just three weeks away when Weymouth and Portland residents get their chance to say who they want to represent them as councillors.

A dozen seats will be contested, one third of the 36 available on the authority, and the Conservatives will be attempting to buck a long trend of hung councils by trying to extend their role as the largest party into that of a party which actually controls the council.

The interesting thing is that long suffering residents may be seeing the death throes of the borough council if ideas for a giant "super" council covering much of rural Dorset ever take concrete form.

But, whichever council seeks to guide or control our lives, it will fail to achieve true representation.

Under the current election system, whoever gets the most votes wins even if the

collective number of people voting for other parties is significantly higher.

A good example of that came with last year's elections in 12 wards which saw nine Conservatives elected as councillors with one each for Labour, Independents and the Liberal Democrats.

But while Conservatives took 75 percent of the seats they only polled 39 percent of the votes yet Labour, which polled nearly a quarter of the votes, only took one seat not three.

And spare a thought for the United Kingdom Independence Party and the Green Party who between them attracted more than 4,000 voters but didn't gain a single seat whereas they would have won two seats under proportional representation!

Let's hope whichever councillors are elected in May do a good job, but the election system still needs an overhaul.

He added: "This year there will also be the Club Market Zone where groups, charities and organisations can recruit volunteers to help with their respective causes.

Legacy completes final project before closing

VOLUNTEERS from the Phoenix Legacy have created a special outdoor space for residents at Southill Day Centre.

The project is their final assignment before the group closes down.

The Phoenix Legacy was started in 2009 as a project inspired by the London 2012 games coming to Weymouth. Its purpose was to help people over 50s to be more active in the county. They have carried out many activities over the seven years, but due to the retirement of their founder and chairman, Rosie Barfoot, they have decided to call it a day.

"I am so proud and grateful for what our wonderful volunteers and activity providers have achieved over the years; from activity tasters to a major conference

on mental well-being. Most importantly, we have built useable outdoor space at Crossroads and Southill Day Centres," said Ms Barfoot.

Goulds Garden Centre offered their support for the project.

Primary school sees improvement

A WEYMOUTH primary school which has been told it must improve by inspectors says it is getting better.

OFSTED told Holy Trinity Primary School and Community Nursery on Cross Road that teaching standards and outcomes for the 680 children must get better.

The inspectors report said: "Pupils achievement between the beginning

of year one and the end of year six is not as good as it should be. Although achievement is improving, not enough pupils make or exceed the expected levels of progress."

The report praised the management of the school and said it had the capacity and willingness to improve and was already showing signs of doing so.

Beaminster Emporium

SINCE the Beaminster Emporium first opened its doors overlooking the iconic Square in the town centre eleven months ago, much has happened!

In response to customer feedback both from locals and the many visitors to Beaminster the shop has seen an increase in stock of its most popular ranges of clothes, bags, rugs, cushions, incense and jewellery. Apart from all that, new innovations include a selection of quality mood music by Global Journey, men's ethnic fair trade shirts & jackets, musical instruments and humorous signs.

Their selection of greeting cards at 95p each has been hugely popular and has trebled in size with new stock arriving weekly. Owner Graham Hart said, "We are delighted with the response and support that Beaminster has given us. I think a diverse, slightly quirky and constantly changing stock offered at value-for-money prices gives us a unique outlet that attracts our customers to pop in regularly to see what we're up to".

Why not do the same soon and find out for yourself?

Robbie Roskell

FOLLOWING 10 years working and training within a national Architectural Practice based in Yeovil, Robbie set up his Beaminster based practice in 1998.

Having gained extensive experience in all aspects of projects ranging from small domestic projects to multi million pound Hospice and School buildings, we can tailor our experience and services to suit all types of building projects, subject to our clients' specific requirements.

The practice is involved predominantly with home extensions and alterations for both modern and more traditional Listed buildings. However, we also carry out Architectural Services on all commercial, as well as retail properties and one off houses and housing estates.

Whilst most of the projects undertaken are within West Dorset, East Devon and South Somerset, we have also undertaken commissions in London, Exeter and further afield.

Basically if you require some design and drawing input, we would be pleased to help!

Every project is different and dependent upon the clients' specific needs and wishes, which we would be happy to discuss with you at a free initial consultation. After this meeting, we will provide you with a written estimate, not only of our fees, but the other likely associated costs for the project such as Local Authority Planning and Building Regulation and other consultants' budget fees.

We also offer services to assist with remodelling property layouts to maximise light and space, measured land and building surveys and even CAD drawings for manufacturing products.

Please contact Robbie to discuss your project to see how we may be able to assist.

Dorset Kitchens

FAMILY run business Dorset Kitchens, have been involved in the industry since 1992. Situated just outside of the historical town of Beaminster, we employ 15 skilled craftsmen, with a combined experience of over 110 years in this trade! With our own team of fitters and on site painters, we ensure to give you our best attention.

Our designers use a mix of experience, their own skills and training, together with good old fashioned common sense and the latest in computer enhanced software, when they design your kitchen. They will visit your home and work with you to arrive at your perfect Kitchen design.

Here at Dorset Kitchens, we use an array of common woods, such as Scandinavian Redwood (Pine), Tulip Wood, English and European Oak, Maple, Ash, Beech and Walnut, to name but a few. Construction is a blend of traditional methods (dovetailed joints etc) combined with more modern techniques.

Kitchens are finished either painted, oiled, lacquered, distressed, or a combination of these different finishes.

As well as serving the local area we can supply and fit nationwide. We have in the past worked as far afield as France, Italy and the Channel Isles!

THERE ARE ONLY A FEW TOWNS OR CITIES IN THE UK BEAUTIFUL ENOUGH TO RIVAL THE TOWN OF BEAMINSTER.

It is the town's location in a valley of Dorset countryside that provides its picturesque views and chocolate box feel. Coupling stunning natural scenery with exquisitely designed buildings, Beamminster is the perfect place for anyone to visit in order to relax.

While the location is serene, there is still plenty to find in the town, from art galleries to flower shops, restaurants to beauty salons; all essentials are readily available. Unrivalled in its independent boutique feel, you will find a treasure trove of vitality from the buzz and bustle Beamminster has to offer. Beyond Beamminster's heart, the Square, you will find yourself wondering the little side streets and marveling at what you find there.

The town is able to cater for your every need and if you desire the hustle and bustle of a busy town, Bridport can be found only 6 miles down the road. A stones throw from there is the now famous West Bay beach, seen in the popular TV series Broadchurch.

Legends Car Wash Ltd

LOCATED on the site of the old filling station on Whicombe Road Beamminster.

Legends features an eco-friendly waterless car wash system saving thousands of gallons of water.

The name Legends pays homage to racing drivers and there are pictures of the greats in our comfortable waiting room. Here you can enjoy a free coffee while your car is prepared.

We have already been asked how the waterless system works.

The process is simple. We spray the car with Legends Waterless Car Wash and then wipe off using a damp micro fibre cloth removing the dirt. Then the area is buffed using a dry micro fibre cloth.

The car is then clean and shining.

If the car has heavy mud it will be washed down first. The product contains all natural elements that prevent scratching the paint work.

We will offer everything from a quick clean to a full valet. Tyre pressure checks and washer top ups are also available.

The product will be available to purchase on line and in store if you want to use it yourself.

In contrast to the average car wash Legends will be quiet and the premises tastefully presented to complement its surroundings.

Americana and roots from The Buffalo Gals

THE Marine Theatre is the stage for the vibrant Buffalo Gals six-piece band: Americana and roots-inspired old string-band in the bluegrass tradition.

The six band members include banjos, fiddle, vocals, harmonies and percussion from one band member's feet! This unique skill, known as 'Appalachian step-dance' or 'clogging', is a traditional style of syncopated and fascinating dance or 'foot drumming'. It

provides a hypnotic and impressive rhythm, maintained throughout the set. But it comes with a warning: you will find yourself wanting to join in!

Combining a love of traditional sounds with an energetic enthusiasm for contemporary, fresh arrangement, the Buffalo Gals appeal to audiences of all ages, whether aficionados of old-time country music or completely new to its charms.

Described by Maverick Magazine as "...one of the finest old-time country string bands to date, and by far one of the most talented and inventive groups I've so far come across". We suggest you saddle up and find a hitching post at the Marine Theatre for a truly great night out.

The Buffalo Gals play at Marine Theatre, Lyme Regis, on Saturday, April 16th at 8pm.

Tickets via theatre website or phone 01297 442138. Full price £12, Concessions: £11, TheatreFriends discount available.

Thrilling World Harmony Music

Northern Harmony arrive in Dorset from the USA

SIXTEEN sparkling young singers from Vermont (USA) form Northern Harmony, a unique vocal ensemble renowned for their remarkable command of world singing styles and timbres.

Directed by Larry Gordon, Northern Harmony is the highest level performing group under the umbrella of the world music organization Village Harmony, which sponsors singing camps and workshops in New England and many

parts of the world. Many of the students have studied traditional singing styles first hand with native teachers in South Africa, Bulgaria, Corsica and Caucasus Georgia, and some are also accomplished singing leaders in their own right.

Transcending the traditional definition of choral music, the group has earned a worldwide reputation for its command of styles including the hearty and ultra bright Bulgarian 'hard voice', the powerful,

but darker and more sonorous Georgian timbre, the rich, melifluous South African style, the wild and unrestrained American shape-note sound and quartet gospel, and delicate, pure, early music tones.

Now on their 17th European tour, Northern Harmony are returning to Dorset this summer for three special concerts at Wootton Fitzpaine on the Saturday, April 16th at 7.30pm. For more details call 01297 560948.

It's all just a Sister Act

LYME REGIS Musical Theatre will shortly perform their version of "Sister Act" at the Marine Theatre here in Lyme Regis. The first act synopsis was printed in the *View From* last week (April 6th) where it left the South Philadelphia Police Department hiding Deloris Van Cartier amongst an order of nuns from the Queen of Angels Cathedral. A good-time, wannabe club singer, Deloris witnessed the murder of Ernie Williams by her two-timing boyfriend Curtis Jackson and he is out to get her.

Whilst ensconced in the Cathedral convent, Deloris takes over the coaching of the choir, much to the chagrin of Mother Superior, who prefers the traditional chants and psalms to the happy-go-lucky rock style music which is now being taught. The nuns are enjoying the new style praise and are becoming more and more proficient, to the point that the congregation is steadily growing, the donations are increasing and it looks like the Cathedral will not have to be sold off after all.

The success of the singing reaches far and wide and the group are interviewed on Action View TV when it is announced that they are to perform for Pope Paul VI. Realising that this could broadcast Deloris' whereabouts, she tries to keep out of view of the cameras, but despite her efforts, she is seen by Curtis and his henchmen.

Meanwhile, Mother Superior asks God for a sign that will end the nightmare she is going through, and it seems as

though this sign arrives when she receives a phone call from Police Officer Eddie Souther to say that he is on his way to take Deloris out of the convent for her own safety. The nuns are all excited about performing for His Holiness that they can't sleep and so they all go to Deloris' room where they wake her up and sing "Bless Our Show". Mother Superior enters to prepare Deloris to be taken away by Eddie and the nuns then learn who Deloris really is.

Sister Mary Robert, a young postulant, played by Nicole Parkinson-Ward, tries to persuade Deloris to stay but without any luck. Mother Superior prepares to teach some new music for the Pope's visit, but the nuns are not at all keen. Deloris returns and they prepare to sing after all. Next, a window is broken and Curtis and his henchmen enter in their disguises and a big chase then ensues throughout the Cathedral buildings.

Find out how the story ends by going to the Marine Theatre one evening between Monday 9th and Saturday, May 14th with a ticket to watch 'Sister Act', available from Serendip Books in Broad Street, telephone 01297 442594.

Tickets for Monday, May 9th are a special ticket price of just £10, and concessions of £5 for under 16s. Then from Tuesday through to Saturday the tickets are £13.50 with concessions of £8.50 for under 16s. The Box Office has changed this year and will be at Serendip Books, telephone 01297 442594.

The Gravity Drive

The independent local married duo, Ava and Elijah are currently recording their second album and have been supported and played by Tom on his BBC 6 Music show ever since they released their first single.

Elijah explains: "Tom has been a huge supporter of our music and a guiding light in our journey so far. Tom was the first DJ to play our songs and his support ultimately led us to being played on Radio 2 and BBC 6 Music, being invited to record a session for Bob Harris and playing at last year's Glastonbury. Not only is Tom a musical influence he is an influence in the way he

Award-winning band Dallahan set to appear in Dorset

EDINBURGH-BASED Irish-Hungarian phenomenon Dallahan recently exploded onto the traditional music scene, and are rapidly gaining a reputation as one of the most exciting new groups around following outstanding performances at festivals including Scotland's Celtic Connections.

They call on their mixed Irish, Scottish and Hungarian heritage to create a unique and seamless musical montage, drawing in influences from jazz, funk, pop and classical music. Following the release of their debut album 'When The Day Is On The Turn' in 2014, the band toured extensively in North America and Europe, establishing themselves internationally as one of the most enthralling live shows, captivating audiences at such prestigious international events as Milwaukee Irish Fest, Celtic Connections and countless others.

As individuals they are award-winning soloists, established in a range of musical styles, from classical and jazz to Balkan and Celtic. Nominated for 'Best Up and Coming Artist of the Year' at the Scots Trad Music Awards 2014, Dallahan first toured Dorset following the release of their highly acclaimed debut album 'When The Day is on the Turn'. Their second album 'Matter of Time' launches this month and the group will return to the County for two special gigs. Early booking is highly advised.

Dallahan play at Buckland Newton Village Hall this Thursday, April 14th at 7.30pm (for more details call 01300 345455 for more details), and at Evershot Village Hall on Friday, April 15th at 8.30pm (01935 83580).

Doppelganger Productions launches a Dorset wide tour of Shot at Dawn

AFTER a sell-out performance of BAFTA award-winning scriptwriter John Foster's gripping courtroom drama *Shot at Dawn*, atmospherically staged in Bournemouth Town Hall's Council Chambers, Doppelganger Productions is launching a Dorset wide tour of the performance in April 2016. It arrives in Dorchester on Wednesday 13 and Thursday, April 14th and will be rather poignantly, performed in the historic Shire Hall.

This compelling and emotional drama is based on the true story of two young men from the Dorsetshire Regiment, on trial for cowardice; the outcome if a guilty verdict could lead to execution by firing squad.

John Foster spent time studying the original transcripts from the trials, which were until recently restricted from public access. Now for the first time this material is available, and combined with first-hand eyewitness letters, diaries and accounts, the story reveals how these two heroes were suffering from what we now know as Post Traumatic Stress Disorder, yet were condemned to death for their perceived disloyalty. The strength and originality of this new production has been acknowledged with support from national funding through the Arts Council Grants for the Arts, Heritage Lottery, Big Lottery Fund, West Dorset District Council, Arts University Bournemouth and Borough of Poole.

Writer, John Foster, explains the motivation behind the play: "The Great War is currently well-documented and life in the trenches depicted in often harrowing detail. Most narratives focus upon the heroism of soldiers, the incompetence of the commanders and the futility of war." He continues: "Shot at Dawn tells a different story. A stain on the memory of many soldiers who served remained until 2006 when a general pardon was issued by the British Government to three-hundred-and-sixty British and Commonwealth soldiers who had been summarily court-martialled for cowardice and shot at dawn."

Shot at Dawn

The touring production will be dramatically brought to life as it is performed in historic courtrooms across Dorset. Kirstie Davis, Play Director said: "We are particularly honored to be the last company to perform in the Dorchester Shire Hall this year, as it has now closed to the general public for thorough refurbishments. The audience will be offered the unique chance to explore the Georgian courtroom and cells where the Tolpuddle Martyrs were tried and held, before they reopen next year," she added: "There will also be performances at the magnificent Guildhall in Poole, formerly the town's Magistrate's Court; the historic Corn Exchange in Blandford Forum and the intimate Council Chambers in Bridport's original Town Hall. All the venues reinforce the stark reality that soldiers were denied legal representation and the right of appeal."

With 8 performances in 4 unique locations, audiences can expect a truly unique piece of theatre with a chance to learn more by attending the programme of talks and Q & A's.

There is also a chance to come along to one of the four afternoon Tea Dances, to help build up the Living Memories project of Dorset during the great war. The Dorchester Tea Dance will be held at the Corn Exchange on Tuesday 12 April, 2-4pm. Tickets are £3 and are available on the door. Attendees can expect an afternoon of socialising, dancing to FB Pocket Orchestra, with tea and cake for refreshments.

The Bard's Best Bits

Bridport Arts Centre hosts Sing-a-long-a Grease

BRIDPORT ARTS CENTRE will host Sing-a-long-a Grease on Saturday, May 7th, when the unique, interactive screening of the classic film rolls into town as part of a nationwide UK tour.

You'd better shape up to sing along to the great movie musical, complete with on-screen lyrics and the chance to become a T-Bird or Pink Lady for the night and enter the world famous fancy dress competition.

It's the one that you want, says its producer Ben Freedman, who previously brought us Sing-a-long-a Sound of Music and Sing-a-long-a Abba. "Sing-a-long-a Grease is the show that audiences have been asking for since we first presented a singalong show back in 1999"

Now, at last, Summer Lovin', Grease Lightning and the chance to sport a pink wig or greased quiff while belting out You're The One That I Want, are coming to a theatre near you.

"Sing-a-long-a Grease is much more than 'just a film'", says Freedman. "It's an event, an interactive experience and the most fun you can have with your clothes on."

Every performance starts with a Sing-a-long-a host who warms up the audience, trains them how to "hand-jive", deploy the contents of their free magic moments fun packs and heckle in all the right places as well as judge the fancy dress competition.

40 Years Young

The 1972 show, about two lovers in a 1950s US high school, was based on an earlier, grittier "play with incidental music" called Grease Lightning, first staged in Chicago the previous year.

In 1978 it spawned into a movie starring John Travolta and Olivia Newton-John. The movie was a huge hit on its first release. Twenty-five years later it was voted the greatest musical ever in a 2003 poll conducted for Channel 4's show on the 100 Greatest Musicals.

The birth of Sing-a-long-a

The unique, interactive entertainment form known as Sing-a-long-a, meanwhile, was allegedly born in an old people's home in Inverness. The nurses wanted to involve the residents in an interactive group therapy. They therefore wanted to screen *Seven Brides For Seven Brothers* and gave out song sheets so that everyone could sing-a-long.

The idea was then developed for the Sound of Music for London's Gay and Lesbian Film Festival in 1999, before opening at the Prince Charles Cinema in August of that year. After an initial eight-show run soon sold out, while attracting huge media attention, and regular shows has been running ever since not only in London but all around the world. Bridport Arts Centre held its first sing-a-longa event last October with *Rocky Horror Show*. It was a huge success with a sold out theatre and most if the audience in fancy dress.

Tickets are £15, available from www.bridport-arts.com or by calling 01308 424204

WHAT NEXT FOR THE HOUSING MARKET?

WE'RE BARELY INTO 2016 AND ALREADY HOUSE PRICES HAVE LEAPT TO NEW HIGHS

THE average value of a UK home hit a record high of £292,000 in January after increasing by 7.9% annually, according to the Office for National Statistics (ONS).

Meanwhile, property website Rightmove has reported that the average price tag on a property coming to market across England and Wales has passed the £300,000 mark for the first time.

The struggle for people to get on the housing ladder has also been laid bare.

The ONS figures also show that a first-time buyer faces paying 7.7% more for a property in the UK than they did a year earlier, with the average price paid for a starter home standing at £222,000 in January 2016.

And another report, from estate agent Hamptons International, found it would take a single first-time buyer 13-and-a-half years to build a big enough deposit for a home, while couples face a wait of three-and-a-half years.

That report, which covered England and Wales, assumed someone would need to raise a 15% deposit to buy a home. It also assumed aspiring buyers were working full-time and saving 22% of their income towards a deposit after paying essential bills.

So with the UK housing market already on full steam ahead for 2016, what's next in the coming months?

Well, one of the reasons behind the strong activity seen so far in 2016 is thought to be a

stamp duty increase for people buying second homes, such as buy-to-let investors, in England, Wales and Northern Ireland.

The increase has just kicked in, as of April 1, so its full effects are yet to be seen.

The three percentage point increase on previous stamp duty rates for this sector of the market was announced by the UK Government towards the end of 2015, and there have been signs of investors rushing to complete sales before the deadline.

In Scotland, stamp duty land tax (SDLT) has been replaced by the land and buildings transaction Tax (LBTT).

However, similar tax hikes on the purchase of additional homes such as second homes or buy-to-let properties have also been introduced in Scotland, as of April 1, with the intention being to avoid any potential distortions in Scotland that could arise from the stamp duty increase in the rest of the UK.

Various suggestions have been put forward as to the impact the tax hikes might have on the market.

Some experts believe the extra costs will be passed on by landlords to rental sector tenants in the form of higher rents.

A report from the Association of Residential Letting Agents (ARLA) found that nearly two thirds (63%) of letting agents predict the supply of buy-to-let properties will now start to

By Vicky Shaw, Press Association

fall as landlords are pushed out of the market, and nearly six in 10 (57%) believe rents will be pushed up.

But the coming months could also present an opportunity for first-time buyers, who can find themselves competing for the same property types that investors also go for.

Simon Rubinsohn, chief economist at the Royal Institution of Chartered Surveyors (RICS), says the pace of house growth could start to "slacken" if demand from buy-to-let investors shrinks a bit in the coming months.

He says there have been signs of buy-to-let investors and people buying holiday homes looking to accelerate their plans. This means some sales that may otherwise have taken place later in the year have now been brought forward.

However, an array of schemes designed to help people move onto or up the housing ladder may fill any gaps left by a drift off in demand from investors.

Rubinsohn says that with various Government schemes such as Help to Buy upping the demand from buyers, it is hard to predict the impact of the stamp duty hike.

He says: "We're going to see sales activity continue to move ahead but it's going to be a bit harder to build up the numbers. First-time buyers may find the landscape a bit more favourable."

WHAT IS THE NEW FLOOD RE SCHEME?

FLOOD RE is a new insurance scheme to help households in higher-risk areas get access to more affordable cover and a wide choice of policies.

Launching on April 4, the scheme works with insurance companies so that people who own and live in properties that are most likely to flood can shop around more easily to find policies with more affordable premiums and excesses. It is hoped that the increased competition will help drive down premiums for those affected.

The scheme will help people who buy buildings or contents insurance for properties that are at risk of flooding, providing they own and live in them.

It is estimated that, over time, around 350,000 UK households could benefit from Flood Re. Consumers will not need to deal with the scheme directly and will still buy their insurance as usual.

The Association of British Insurers (ABI) says some insurers will be contacting customers directly to tell them about how Flood Re can make a difference.

Consumers can also call their insurer to find out if they can offer new options. The ABI says it is also a good idea to shop around, as the existence of Flood Re should, over time, mean more choice of affordable flood cover, even for those at high flood risk.

The Vauxhall Mokka has room for all of life's essentials

MOTORISTS in and around Dorset are transporting up to 15 'tools for life' in their car as they go about their daily school runs, commute to work or run essential life errands, according to a recent survey by Vauxhall and local retailer, Lanehouse Vauxhall, with sites in Bridport and Weymouth, which revealed that it's not just the car itself that's an essential tool for getting through life.

Drivers in Dorset are always ready to face a change in the weather or a medical crisis, with sunglasses, de-icer, a first aid kit and a torch among the top ten things found in their car.

Whilst the top ten items found in a man's car are made up of typical motoring essentials including a breakdown kit, women appear to carry extra necessities in their vehicle that are important for life's "real" emergencies. Whether you need spare change for parking, a change of shoes, a gym kit or even a top up of nail varnish, you are far more likely to find it

in the car of your female friends, according to the latest findings.

In addition, ladies are also more likely to keep snacks, deodorant and even secret shopping purchases that they haven't yet confessed to their partner.

However, it seems that our ideas of life's essentials change once we become a parent, with both male and female parents adding baby wipes and toys to keep everyone occupied to the list of things they can't go on a car journey without.

It's clear then that the average motorist needs enough room in their car for all of life's necessities. So with the latest Vauxhall Mokka model available from Lanehouse Vauxhall you can be prepared for every eventuality with a 356-litre boot.

And while you're busy dealing with life's challenges, the Vauxhall Mokka will ensure that everything else runs smoothly with its well thought through features such as Adaptive Forward Lighting AFL+, ergonomic seats and Navigation IntelliLink

voice-control infotainment system, compatible with both iPhone and Android devices.

Dominic Avery, Company Director at Lanehouse Vauxhall, explains: "The Vauxhall Mokka really is a vehicle for life's daily needs. With comprehensive safety features, bags of room and optional extras to make life easier such as the Adaptive Forward Lighting System and All-wheel Drive Transmission, the Mokka is perfect for anyone

who needs a vehicle that will assist them through whatever life throws at them."

The Mokka is available in four trims: Exclusiv, Tech Line, SE and Limited Edition, with prices starting from £16,789 on-the-road.

For detailed information about the Vauxhall Mokka or any of the other models at Vauxhall, please contact your local Lanehouse Vauxhall or please visit <http://www.lanehousevauxhall.co.uk/>

Mitsubishi Outlander diesel is the vehicle for all seasons and all reasons

WHEN the going gets tough, TV vet Julian Norton knows his Mitsubishi Outlander diesel will get him through it.

The 43-year-old is based in Thirsk, near the beautiful Yorkshire Dales and North York Moors – at James Herriot's former practice no less. And just like the world-famous literary vet, he faces challenges reaching his patients as well as dealing with them.

Julian was the main focus of The Yorkshire Vet – a six-part Channel 5 series last autumn that followed him and his trusty Outlander on his visits. 'Based in rural North Yorkshire, it's important we're able to get out and about in all weathers, all conditions and all types of road surface. It's often

slippy, even if not always snowy, so it's really useful to have a four-wheel-drive vehicle, and I know my Outlander will cope,' he said. 'It's a lovely vehicle to drive and it gives you a lot more confidence when you're heading into fields, for example – and we often have to head into fields!'

The Outlander is just as capable reversing up tricky narrow hillside country lanes – for example, to allow oncoming vehicles to pass by – as it is being steered through a ford.

The new diesel model is Mitsubishi's safest and most environmentally-friendly version. Among the many enhancements, 40 noise, vibration and harshness improvements have been intro-

duced, and it boasts new styling, too. Ride and handling are even better and there's increased efficiency, while the cabin interior has improved comfort and safety.

And these are all winners as far as Julian is concerned. 'The Outlander looks really great. It's very stylish, and as well as that, it actually feels like a car because it's not as enormous as some of the equivalent vehicles on the market. It handles really nicely and there's plenty of space – there's a lovely big boot, which we need for all our medicines and equipment and calving jacks and so on and so forth, but it's not ridiculously big that it makes it hard to fit into parking spaces or get down my drive at home.'

Away from the surgery, Julian is very much a man of action. Until recently, he was – with friend and Olympic oarsman Roger Brown – the world record-holder for tandem indoor rowing over a 24-hour period. Nowadays when he's not working, Julian takes part in triathlons and Ironman challenges, and goes biking and ski mountaineering – he also represented Great Britain in the Half-Iron Distance Triathlon European championships last year and in 2014.

'Again, the Outlander's great for all that,' said Julian, 'because when I've not got my veterinary stuff in the boot I can stick loads of kit in, and one of my sons is a very keen triathlete, so we can stick his bike

in the back and head off. It's really good for that.'

The Outlander diesel – truly a vehicle for all seasons and all reasons.

The all-new Peugeot Expert: A generation ahead launches with a worldwide show debut in Birmingham

THE all-new PEUGEOT Expert offers customers a compelling and competitive product range with exceptional capabilities and efficiencies, an attractive character with the latest Brand identity and a robust and modern design.

Built on a brand-new vehicle platform, it benefits from all the advantages of the Efficient Modular Platform 2 (EMP2): exhibiting compactness, weight reduction, versatility and combines the most efficient engine options - achieving as little as 133g/km of CO₂, as well as highest build quality. It introduces innovative features to the segment such as hands-free sliding side doors, the modularity of the cab with 'Moduwork', Active Safety Brake system, rear-view camera with VisioPark and connected 3D navigation.

The new PEUGEOT Expert can carry a maximum load of 1400kg and is available in three body lengths, from the new 'Compact' version at just 4.60m up to 5.30m. It is a vehicle also particularly well suited to urban journeys, with a maximum height of just 1.90m.

The new PEUGEOT Expert is a generation ahead - in every way

Its first worldwide show debut will be in Birmingham at the NEC Commercial Vehicle Show on 26th April, with the Press reveal being held at the 09.30 in Hall 5 on the Peugeot stand.

"Our ambition with the new PEUGEOT Expert is to attract new customers. Its innovative design offers differentiating services and embodies a new aspect of PEUGEOT's high-end strategy in the utility vehicles sector", said: Maxime Picat, PEUGEOT Brand CEO (@MaximePicat).

New PEUGEOT Expert - in detail

The new PEUGEOT Expert is designed to respond to a variety of different uses and the search for efficiency by business professionals. The new PEUGEOT combines compact external dimensions with the maximum load capacities which are so vital in this segment.

Available in three body lengths and with two or three seats in the front, the PEUGEOT Expert offers up to 6.6m³ of carrying space and up to 1400kg of load weight with a potential length of 4m. The Standard and Long versions, at 4.95m and 5.30m, are designed for the core market. The Compact 4.60m version, unique in the segment, allows loads of up to 5.1m³ and 1400kg, with a useful length of 3.32m. Its reduced dimensions and overhang allow the new PEUGEOT Expert to offer great manoeuvrability, particularly popular with business professionals working in urban areas on a daily basis. Its reduced height of 1.90m, guarantees the new PEUGEOT Expert access to all car parks.

The new PEUGEOT Expert adopts modern and efficient Euro 6 BlueHDi engine options from 95hp / 210Nm to 180hp / 400Nm mostly equipped with Stop&Start technology. They offer excellent driving comfort and offer record fuel economy/CO₂ emissions for the segment. The new BlueHDi 180 EAT6 gearbox and the BlueHDi 95 ETG6 electronic automated gearbox, frees up extra legroom for the middle passenger. The most efficient version, at 55.3mpg, i.e. CO₂ at 133g/km, and the entire PEUGEOT Expert range, with 52.3mpg, i.e. CO₂ at 140g/km on average, are best-in-class.

Lyme hit nine in Davey Fort goal fest

DEVON & EXETER LEAGUE

Division Two

Lyme Regis 9 Newtown Reserves 3

A SCINTILLATING display of clinical finishing saw Lyme Regis storm into an 8-0 lead in the opening 39 minutes and leave opponents Newtown on the ropes.

Saturday's game was played on a Davey Fort pitch that was made lightening fast by a series of mini-downpours and this suited the direct approach of the Seasiders who benefited when their goal hungry front line cashed in on a series of neatly threaded through balls.

They took the lead in the first minute when Adam Caddy picked out Joe Bond who finished coolly past onrushing keeper Dan Stennett who was in for a busy afternoon.

The glovesman was at fault for the second when he failed to collect a routine loose ball and Julien Simier tapped in the empty net.

Bond scored his second in the 10th minute when his cross from the right wing drifted over Stennett and into the far corner.

Caddy set up number four a minute later with a cross along the six-yard box that found Simier unmarked at the far post.

The goal of the game arrived in the 19th minute when Rob Fellingham's free-kick found the stretching Caddy who superbly half-volleyed the ball

home via the underside of the crossbar.

Newtown went close at the other end only to be denied by a brave stop from Lee Cleal who finger-tipped the ball onto the post.

But Lyme hadn't finished, and Mark Bailey, at his creative best, found Caddy who slotted home to make it 6-0 with just 24 minutes played.

Bond burst on to the through ball down the middle before slamming home his hat-trick and Simier completed his treble from the penalty spot after Dec Ellis had been tripped.

Interim manager Rob Thom rang the changes after the break and this, along with a brave showing from the visitors, halted the Seasiders flow.

Stennett did do well to beat out efforts from Bond and Ellis but it was Newtown who struck twice either side of the hour before they put though their own net to make it 9-2.

They did however have the last say with a third goal two minutes from time.

A word for referee Mike Cairns who demonstrated his ability having previously spent 15 years as a linesman in the English Premier League.

Division Seven
Elmore Reserves 3

Lyme Regis Reserves 1

LYME Regis Reserves' flickering promotion hopes were all-but extinguished by defeat at Horsdon Park.

Things started badly for Lyme who turned up just ten minutes before kick-off due to an incorrect postcode on the league website.

They got worse in the ninth minute when keeper Toby Fowler dashed off his line to attempt to clear a through ball but only succeeded in wiping out his centre-back Wallace Blackmore and a home striker rolled the ball in to the vacant goal.

The Seasiders then had the better of proceedings only to fall further behind ten minutes before half-time with elderly referee Keith Grantham ignoring a clear offside flag.

They got back into the game in the 57th minute when defender Mark Batey headed home an Ally Rattenbury free-kick.

They should have been level in the 69th minute. MoM Matt Thomas was fouled in the area but Sam Pollard-Jones' penalty kick was comfortably saved.

The killer third goal arrived five minutes later when another rush of blood by Fowler this time resulted in him clattering in to his sibling colleague Batey and the ball was once again tapped into the empty net.

PERRY STREET LEAGUE

DAISY HUTCHINGS CUP, semi-final

Merriott Rovers 1 Misterton 2

TWO Scott Jennings penalties saw Division One title chasing Misterton edge past a spirited display from their Division Two hosts.

A Mark Tweedie goal had Rovers ahead at the interval. But a last man foul on Harvey Saunders which Missy thought warranted a red-card allowed Jennings to square things up.

Mike McCormack and Jake Barry both went close before the visitors grabbed the winner in the 88th minute when Saunders was felled again and Jennings did the rest.

Missy assistant manager Paul McCormack was impressed with the centre-back pairing of Jennings and Scott Barry.

KEN HODGES CUP, semi-final

Drimpton 7 Netherbury Res 1

THE format of the Ken Hodges Cup was thrown into question with Drimpton of Division One pitted against Division Three outfit Netherbury Reserves.

The outcome was predictable with Simon Denslow (3), Terry Farrell (2), Barry Hayne and Nick Murphy on target for the Greens.

PREMIER

Barrington 3 Chard Utd 2

"NOT at our best, but we got the points," was Barrington manager Sid Brown's assessment as he saw his side come from behind to beat Chard United.

Jamie Brown gave United an early Andy Whitefield levelled from the penalty spot and Guy dare edged the hosts ahead.

Chard weren't finished and Davi Rodrigues made it 2-2 before Dare popped up with the winner.

Beaminster 9 Crewkerne Town 1

BEAMINSTER had few problems brushing aside the challenge of relegation-threatened Crewkerne at the Memorial Ground.

Dan Baggs led the way with four goals with the others coming from Lance Spencer (2), Dom McAllister, Owen Ward and Ash Walkey. Callum Hopper netted the Tigers' consolation.

● BEAMINSTER FC are seeking manager's for both their first and Reserve teams for the 2016-17 season. Anybody

interested should contact club chairman Dave Pearson on 01308 863383.

Netherbury 3 Beaminster FC 3

THE spoils were shared in the local derby last Wednesday in a very entertaining game at Netherbury playing field.

The Ambers took the lead with only around six minutes gone, when Paul Ruffell's dangerous in-swinging corner was headed in at the back post by Kristian Steward.

Beaminster responded well and had Netherbury under pressure. The visitors went close on a couple of occasions hitting the bar twice and failing to take advantage of several goal mouth scrambles.

Netherbury then doubled their lead as Beaminster failed to clear their lines and the ball fell to Steward who hit his left footed half-volley into to the bottom corner to make it 2-0 at half-time.

The Rainbows dominated the opening 15 minutes of the second half and Robyn Harp was called on to make a fine reaction save and they also hit the crossbar again.

Netherbury's resistance was broken when a low ball in from the left evaded everyone, for Bradon Scadding to slide in at the back post for 2-1.

Beaminster were level soon afterwards when a header came back off the bar to be nodded home for 2-2.

For their third goal, Beaminster worked the ball neatly from left to right and Scadding hit an early volley which drifted inside the post for 3-2.

To their credit Netherbury responded well to going behind and scored the equaliser around five minutes later, when the ball fell kindly to Mark Cuff who composed himself well to stroke the ball into the bottom corner for 3-3.

Beaminster threw everything forward, but the Ambers defended well as a team to earn a deserved point.

"I'm delighted with our performance tonight, the whole team worked hard against a Beaminster team who are fighting at the top end of the table," said manager Andy Loudon, who shared his man of the match award between Kristian Steward for his goals and Danny Rawlings for his assured display at the back.

South Petherton 1 Perry Street 1

THE TITLE CLASH at Lightgate Lane ended honours even. Both managers felt their sides' had done enough to have come away with all three points.

"It was pretty even, they had more possession but we had the better chances," said Street's Andy Bond, who saw his side take a fourth minute lead when Brad Cleal's fine cross was headed home by Billy Sheahan. They then missed a golden chance to double their lead before half-time.

Pethy equalised midway through the second-half courtesy of Tim John and then went close to grabbing the winner when Ryna Thurgood, up from the Reserves, hit the post and they also had an effort hacked off the line.

"We're disappointed, but haven't lost too much ground in the title race."

W & M Chinnock 1

SHEPTON Beauchamp 7

SHEPTON Beauchamp ended their Oxleaze hoodoo in style as they strengthened their title credentials with seven-goal super show.

The Old Monsters dominated from the first whistle and a Dan Smith hat-trick and a superb 20-yard volley from Jamie Spurdle had the points in the bag at half-time.

Smith and Spurdle also found the net at the interval with Will Aplin also on the score sheet.

Damian Hart scored the consolation for the Chinn's who never stopped running.

DIVISION ONE

Pymore 4 Crewkerne Rangers 1

DESPITE being short on personnel Pymore's superb end to the season shows no sign of fading as they chalked up their fourth win on the spin.

They took the lead on Saturday in the fourth minute through Carl Bulman but then missed a hosts of excellent chances and were punished by a break-away Dave Smith goal two minutes before the interval.

Pymore manager Stuart Hedditch introduced substitute Cameron Murlless on the hour and he had an immediate impact being brought down by the visiting keeper who was soon picking the ball out of the netted from Fred Etherington's resulting penalty.

An injury while taking the spot kick meant the hosts, with all three subs used, were forced to play with 10 men for the final 25 minutes.

But it mattered no and Bulman bagged his second in the 75th minute and Murlless, under orders from Hedditch, bent a late corner directly into the net.

Other scores; Ilminster Colts 1 Barrington Res 2, Combe A 2 Hawkchurch Utd 1, Thorncombe 7 Beaminster Res 1.

DIVISION TWO

Chard Utd Res 0 Chard Rangers 2, Farway Utd 0 Combe B 1, Hinton 3 Kingsbury Episcopi 4, Shepton Beauchamp Res 5 Thorncombe Res 2, Winsham Utd Res v South Petherton Res - match postponed.

DIVISION THREE

Crewkerne Rangers Res 4

Uplyme Res 1

SATURDAY'S scoreline at Wadham School left Uplyme Reserves manager Stuart Wooster bewildered: "We totally dominated the game yet somehow ended up losing 4-1!"

"We had two thirds of the possession and twice the chances – but we lacked a killer instinct in front of goal which ultimately cost us."

Rangers led 1-0 through a breakaway strike at half-time. Jonny Harris though he had equalised after the turnaround only for referee Tim Paul to disallow the goal and bring play back for an earlier foul on Hakim Bibb.

A nightmare 15 minutes then saw the hosts strike three times with the last effort disputed for offside. Bibb scored a late consolation

Ilminster Town A 0 Charmouth 6

A HAT-TRICK from top-scorer Dan Rendell was the highlight as Charmouth brought an end to their three-game losing slump in style at the Rec.

The Robins had two efforts ruled out for offside and handball before Jake Reeve gave them a 1-0 lead at the break.

The second half was more of the same. Rendell made it 2-0 after fine solo run and then added a second from the penalty spot.

The hat-trick was completed in spectacular fashion when he volleyed a goal kick from the edge of the centre-circle straight back past a bewildered Ilminster keeper.

Further strikes from Daniel Watson and Matthew Dare completed the win. Other scores: Chard Rangers Res 1 Drimpton Res 1, Chard Utd All Stars 0 Fivehead 0, Dowlish & Donyatt 2 Farway Utd Res 1.

WEYMOUTH FC

WITH STUART BROOM

Kings Lynn Town 0
Weymouth 0

WEYMOUTH continued to keep their in-play-off spot chances alive with a battling draw at King's Lynn on Saturday, after seeing off fellow promotion hopefuls Leamington in midweek.

Both games were big tests for the Terras, and although their chances are diminishing, they have shown tenacity as they look to make up ground after defeats against potential Evo-Stik South Premier League champions Poole Town and Hitchin Town over Easter.

The long trip to Norfolk didn't stop the Terras starting off brightly and Jordan Copp almost gave them the lead in the early minutes with a shot that struck the upright, before Linnets' keeper Alex Street produced superb save to keep out Stewart Yetton's header.

The Terras continued to hold the upper hand with chances and both Yetton and Ben Thomason had chances.

The second half was much the same with efforts from George Rigg and Thomason producing the best Terras chances, whilst the Linnets could have won the game with a superb 35-yard free kick from

Lee Stevenson that saw keeper Jason Matthews rooted to the spot as it crashed off the top of the upright.

Weymouth 1

Leamington 0

THE Terras enhanced their chances of a play-off spot and dented fellow hopefuls Leamington in a game decided by Jake Wannell's second half header.

The Brakes had showed their doggedness when beating Dorchester by a single goal in Dorset last month, and they showed similar qualities at the Bob Lucas Stadium.

Both sides had early chances, none of which bothered either keeper, and the first real talking point came midway through the half when referee Graham Pearce turned down a Terras' penalty appeal after George Rigg went down in the box as he moved past a defender.

Sam Austin caused the first real panic at the home end when he wriggled free from two defenders, but his curling shot just went wide.

Weymouth applied early second half pressure as they looked for the goal that would fire them back into a possible play-off spot and Wannell might have scored with a header

from a corner when left unmarked six yards out.

Leamington were finding it hard to breach the Terras' defence but sub Rob Ogbley did test Jason Matthews on the hour.

Wannell however made no mistake on 64 minutes when he rose to power a header past Brakes keeper and captain George Breeden from George Copp's free kick. Ben Thomason might have added a second but his shot was cleared off the line.

A frustrated Brakes, who played out the 15 minutes in the corners to waste time against Dorchester, had the tables turned on them as Weymouth comfortably held out – and might have even had Breeden sent off for a rash challenge near the end.

AN EYE ON THE BEES - Bridport FC

WITH STUART BROOM

Salter brace sees Bees buzzing

Tuesday, April 5th

Bridport 3 Bradford Town 1

TWO superb strikes from Mark Salter finally ended Bridport's miserable run of six consecutive defeats when they beat high flying Bradford Town at St Mary's on Tuesday evening.

The Bobcats arrived on a three game winning streak including five against bottom side Welton Rovers at the weekend.

Caretaker manager Mark Carter made only one enforced change to Saturday's side beaten by Brisington, Dan Peach replacing suspended captain Chris Clarke.

Bridport, as in recent games stared positively and Warren Byerley almost gave them an early lead when a good move involving Sean Stewart, Tom Blair and Salter down the right saw the striker turn neatly before firing in a left foot shot that keeper Jamie Bartlett saved with his feet.

Bradford might have responded two minutes later when Mark Wall

broke free with a run on goal, but a superb tackle from Ryan Hayter, who was outstanding all evening wearing the captain's band, stopped him in his tracks.

It was the Bees however who were looking more dangerous and the Bobcats were forced into some desperate defending repelling a number of attacks, Jamie Beasley's long ball forward flicked on by Stewart to Blair, whose driven cross was headed behind for a corner, being a great example.

Then on 17 minutes and totally against the run of play, in their first real threat on goal, Bradford took the lead.

Sam Jordan collected Aaron Cornwall's long ball inside the box on the left and crossed where Lee Fernandez swept it home from eight yards. Jordan then produced a spectacular hooked volley from 20 yards but it went straight at Josh Hadley.

Bridport deservedly drew level just

after the half-hour when Salter showing his guile and experience harried Michael Rimmer into a mistake before feeding Blair.

He continued his run to reach the midfielder's whipped cross with a stupendous flicked curling header from 12 yards that beat Bartlett and flew in off the underside of the junction of the goalframe.

Three minutes later he had put the Bees ahead. He combined with Warren Byerley, who always gives 110 per cent despite often carrying injuries, and their one-two saw the former Street striker held off a number of challenges before swivelling and firing a left foot shot across the keeper and into the far corner.

Bradford had no answer to the buzzing Bees and with Salter dominating Rimmer, he almost completed his ha trick on the stroke of half-time when he pounced on a mistake by Cornwall to fire in a drive which Bartlett did well to get across to parry

for a corner.

There was no let up after the break and when Beasley's driven cross cannoned off a defender, Salter was quick to pounce on the rebound but Bartlett managed to thwart him saving with his feet.

Frustration finally got the better of Neikell Pummer and Rimmer who were both booked by referee William Bull, who had a superb game, talking and explaining his decision at all times.

Sub Ashton Stanley forced Hadley into a fine save at the foot of his post, but Bradford were a spent force, and Bridport completed an excellent win when sub Tristan Gale played a superb diagonal long ball into Beasley's path. The powerful winger took the ball in his stride before cleverly beating the outrushing Bartlett for Bridport's third.

Jordan might have pulled one back just before the end but his lob over Hadley also just cleared the crossbar.

Saturday, April 9th

Bridport 0 Shepton Mallet 3

BRIDPORT'S hoped revival was crushed on Saturday as Shepton Mallet sent their hosts to their 14th defeat in their last 17 games.

A scintillating victory over Bradford Town midweek appeared to herald a return to form for the Bees, but it was a return to the norm at St Mary's on Saturday and once again they produced a reasonable display for no return.

Within five minutes Josh Hadley had to save Harry Ritchie's header and Craig Loxton had thumped the underside of the crossbar with a shot. However the Bees survived until just before the break when the hosts failed to clear their lines from a free kick and when the ball was recycled an unmarked Liam Watson headed home.

The second half was much the same; Sean Stewart going closest for Bridport before Mallet doubled their advantage on 69 minutes, Loxton picking up the rebound to fire home after Hadley had done well to keep out Kailan Gould's effort.

They closed the game out with a third in the last minute when Alex Russell scored from 15 yards after being put through.

The club have announced that Mark Carter will continue as caretaker manager until the end of the season when a new manager will be appointed. In the meantime they continue to interview potential candidates for the job.

BRIDPORT RESERVES

Sherborne Reserves 2

Bridport Reserves 1

WHILST Bridport Reserves manager Shaun Annetts was unhappy with his side's first half performance – which he labelled "absolutely shocking" – he was more angry with a decision that saw the Bees reduced to ten men midway through the second half when Sam Day was red carded on the decision of the linesman.

Bridport were already trailing from two first half goals when the referee, having seen nothing wrong with Day's tackle, called play back after being alerted by a linesman. After consultation with his assistant he showed the Bridport defender a straight red card.

An angry Annetts told *View Sport*: "Sam made a fantastic tackle in my view, a good strong controlled tackle.

"The referee saw nothing wrong with it, and played on. I can only assume that the assistant then wanted to become involved and flagged. He told the ref he thought Sam had used excessive force and deemed it a red card offence, and as a result the referee sent him off."

He added: "Sam has had troubles with referees in the past, and I believe his past reputation has maybe affected that and other decisions.

"It's a shame that referees can't referee on what they see in front of them rather than what has gone on before, and that clearly happened in this case."

Annetts feel so strongly he is going to attend an appeal against the decision.

"I feel Sam was harshly dealt with. The referee

had an excellent view some 20 yards away and side on and had a much better view than the assistant who was only looking at Sam's backside, so what is the referee doing in this situation.

"The linesmen these days don't even give throw-in decisions; they wait for the referee to point in the direction of the throw.

"So what was the referee doing allowing himself to be overruled by an assistant not just suggesting a yellow card, but a red one for an offence the referee deemed legal is beyond me!

"We are already down to the bare bones with players and now Sam will miss games for something that wasn't justified.

"I am all for upholding decisions against my players if they are justified, but this wasn't, and I'm bitterly disappointed."

Bridport were so abysmal in the first half that even Annetts, who has not had to criticise his charges for a long time, gave them a stern talking to at the break.

Indeed the Bees pulled a goal back after Day's dismissal when following a great run by Josh Baker down the right was eventually stopped a he drove into the penalty area, 16-year old Tom Hyde, one of several young players in the side, was on hand to pick up the ball and tuck his shot home. However, it was too little, too late to affect the result.

Hamworthy Recreation 5 Bridport Reserves 1

HAMWORTHY Rec is never an easy place to go, and Bridport Reserves with first team calls and unavailability always knew their side packed with youth team players were going to find it tough.

However they put in a sterling first half display and it took Hamworthy half an hour to pierce the Bees' defence, despite the loss of captain Harry Fleet with a hamstring injury after 20 minutes, and in fairness could easily gone in at the break on level terms – Sam Day grazed the crossbar, whilst Josh Baker went close with a couple of good efforts.

However the hosts, playing with the strong breeze, exposed the lack of inches in the Bees' defence early in the second half and scored two identical goals within minutes of each other when balls were delivered right under the crossbar at the far post where they were converted from close in.

This took the wind out of the Bees' sails and Rec added two late goals to record an unjustified scoreline.

Manager Shaun Annetts said: "Whilst we can have no complaints at losing, the score flattered them by at least two goals.

"We had a very inexperienced team out, and whilst the young ones were brilliant individually and the senior players deserve praise for coxing them along, it was too much to expect. Once again I have to thank Mark Scadding who has been very supportive in the circumstances with his youth team lads."

WEST DORSET INDOOR U14s CRICKET

Beaminsters pip Martinstown to the title

THE West Dorset Indoor Cricket League concluded with a thrilling finish to the Under 14s section, with both Martinstown and Beaminsters needing to win as the title went down to the last games.

Martinstown 189-1 beat Bere Regis 32 all out by 157 runs

KNOWING that only victory would do Martinstown produced an outstanding display as they put Bere Regis to the sword with an emphatic win.

Batting first Martinstown attacked from the start with openers Sean Williams (30 no) and Matthew Lappin (26 no) smashing 55 runs from the first four overs.

With these two retiring there was no let up from the following batsman as Martinstown looked to post a high score.

John Stewart (33 no) and Nathan McNab (18) continued to stroke the ball to all corners as the run rate climbed to over 15 an over.

McNab went caught off the bowling of Conner Bastin (2-0-46-1) but there was no let up for a valiant Bere as Will Maltby (27 no) and Charlie Durrant (18 no) continued to dominate the bowlers as Martinstown posted a huge 189-1 off their 12 overs.

Bere's reply was soon in tatters with Durant (2-1-1-2) producing a first over double wicket maiden. Will Maltby (2-0-9-3) taking the second over struck with his first and fourth balls as Bere were reduced to 4 for 8.

Despite a battling 18 from Bastin a rampant Martinstown with Lappin (2-0-10-1) taking the final wicket eased to victory with 25 balls to spare and waited for the result of the next game to see if there outstanding effort would be enough to seal the Championship.

Beaminsters 146-5 beat Weymouth 95-4 by 51 runs

HAVING witnessed Martinstown's emphatic victory over Bere Regis the pressure was on Beaminsters as they faced Weymouth with all to play for.

Batting first Beaminsters lost Lewis Keenen (4) to a well executed run out in the first over. However with James Page (48 no) joining Adam Moss (40) at the wicket the runs began to flow as these two took the score to 86 after 6 overs.

With these two retiring Weymouth scored some success with Quinn (3-0-32-1) removing the dangerous Fergus Dipple (30) and Tom Baker taking two wickets the run rate slowed for a few overs.

The returning Moss and Page continued to blunder runs as Beaminsters closed on 146-5.

Weymouth looking to cause an upset began in the worst possible

fashion with Alford being cleaned bowled for a duck and Quinn being run out for the same score as Beaminsters looked to impose themselves on the game.

Weymouth fought back with Baker (28) and Jack Taylor (8) battling hard against a well drilled Beaminsters attack who gave very little away. Weymouth despite a valiant effort never got on top of the run rate as Beaminsters ran out winners by 51 runs.

The title went to Beaminsters who averaged 150.30 runs per game to Martinstown's 145.35

Charlton Down 123-3 beat Weymouth 123-5 by 3 runs

BATTLING first Charlton Down looking to break their league duck began well with Henry Dipple (41 no) and Harry Ackerman (9) batting with style and good judgement scoring 36 off the first four overs.

Ackerman lost his wicket to a well executed run out and this brought Ollie Davis (26 no) to the wicket who in partnership with Alex Felton (23 no) kept the score ticking over as they enabled Charlton Down to close on a competitive 126-3.

Weymouth's reply began badly with Nathan Quinn (1) falling to Lewis Harrington (3-0-18-2) and was quickly followed by two run outs as Charlton Down seized the upper hand. Ben Alford (49 no) and Sam Burton (16) kept Weymouth in the game and up with the run rate as the game built to an exciting climax.

Burton went caught off the bowling of Dipple bringing John Cardiff (19) to the crease with 42 required for victory off three overs.

Runs began to flow and as the final over started Weymouth needed seven to win, Charlton Down held their nerve as Lewis Harrington produced an excellent over of great line and length to take two wickets whilst conceding only four runs to his side's first league of the season

● LEAGUE organiser Grant Neven said: "These youngsters have produced cricket of the highest standard week in week out and have been an absolute credit to their respective clubs.

"I'd also thank Nigel Williams and all his staff from The Osprey Leisure Centre for their continued support and help with running the League.

"Furthermore I think a huge thank

you should be given to all the coaches

and managers who have given up

their time to contribute to the success

of the league."

Bowls

BRIDPORT & WEST DORSET

SUE Walsh and Mike Long both edged their way to win titles in the Bridport & West Dorset Indoor Bowls championships held over the weekend.

Walsh retained the Ladies Singles after a titanic battle against Pamela Daters, who appeared to have tied up their game at 20-20 with her last wood, but it ended an agonizing quarter of an inch long to leave Walsh the champion 21-19.

Long was also involved in a close finish in the Club Pairs. He had already taken the Men's Singles title with a comfortable 21-10 win over Ivor Parker, before joining forces with Brian Rumble, and in a thrilling finish they scored a one count to beat the father and son combination of Martin and Steven Grier 18-17.

Parker gained revenge however when he teamed up with Brian Galpin to beat Long and Rumble in the Men's Pairs Galpin placing his wood right on the jack to win another thriller 18-17.

For Rumble however there was more silverware. He beat Ann Turtell with a strong finish in the Two Woods Singles, before taking the Mixed Pairs Plate Trophy with Frances Hewitt by beating Sylvia and Mike Fletcher 26-14.

Against the Fletchers, Hewett and Rumble were 8-13 down early on with Sylvia leading superbly, but experience told in the end.

This capped a fine season for Rumble as he picked up the county's Personality of the Year award.

Keith Jenkins and John Boxall were locked at 18-18 in the Rookies Final, but Jenkins took the title 21-18 with a three count.

Keith Brooks and Annie Legg opened up with counts of 4,3, on their way to winning the mixed pairs 23-14 over Turtell and Steve Way

Men's Section

CONDITIONS for the men's Sunday competition were described as wild and they were braved by 56 entrants.

The competition was a Stableford and qualifier for the Lombard Trophy; the winner is to join club pro David Parsons for this Pro/Am event.

The scores reflected the conditions and 32 points was the best score of the day and this was carded by Lewis Craddock in Division One and Russell Weller in Division Three.

After countback Weller came out top and he will join Parsons for the Lombard Trophy.

The winner of Division Two was Patrick Hart with 31 points.

Mixed Section

ON SATURDAY there was a mixed competition and that was the Christine Clay Qualifier, a Foursome Medal off combined a ¾ handicap.

The top four couples go on to a Matchplay competition for the Christine Clay Trophy.

Couples were drawn for this qualifier and the husband and wife team of Mike and Margaret Thompson were drawn together and they went on to win with a score of 73.

The other three teams to qualify were William Benge & Jane Dowling – 74.5. Dougie Howells & Carole Hedley – 76.5 and Richard Thompson & Liz Wilson – 77.

Just six men turned out for the Mixed Midweek Stableford and judging by the low scores conditions must have been far from friendly.

Mike Chivers (12) came in with the a top score of 29 points closely followed by Lawrence Turner (22) with 28 points and then Bryn Dare (14) with 27.

Veteran's Section

THE second round of the veteran's Holmes Cup attracted 51 entrants. The cold north east wind put paid to any record breaking scores but the scoring was steady and extremely tight.

You are not likely to see any results closer than these with the top three men in both divisions all carding the same nett score.

Seventy-two was the magic number and in Division One, after countback, Ed Hanson nudged the appropriately named Bryan Holmes into second place.

In Division Two the top two, having the same handicap, had identical scores and after count-back John Pitchford edged Terry Kearley into the runner-up spot.

RESULTS: Division One – 1. (acb) Ed Hanson 87-15=72; 2. (acb) Bryan Holmes 91-19=72; 3. Gerald Allum 92-20=72.

Division Two – 1. (acb) John Pitchford 94-22=72; 2. (acb) Terry Kearley 94-22=72; 3. Roy Mathison 95-23=72.

Pitchford's handicap was cut by one shot.

YOUTH RUGBY

Mixed day for under 10s

Bridport U10s v Swanage & Wareham and East Dorset

THE young Blues were slow out of the blocks in their first game against the hosts Swanage & Wareham, conceding two rather soft tries in as many minutes.

Patrick May was the first to respond with a determined charge for the line, following which Bridport matched the opposition try for try without ever quite making up the shortfall.

Barney Johnson's pass released

Henry Everitt for the second try and some good handling allowed Luke O'Neil to add a third.

O'Neil squeezed in for the fourth after a stirring run down the wing. The final whistle came too soon at 6-4, but redemption was to be had in the next game against East Dorset.

This proved to be a pulsating contest with the lead constantly changing hands, Bridport showing real character to hold on to a slender advantage, eventually

winning 8 tries to 7.

Try scorers were player of the day, Charlie Brake (2), the second a combined effort with Dom Burdett to win a try line tussle.

O'Neil with a further two well taken tries, and Johnson running good lines to contribute two more.

May added his second of the day, and Matthew Elven displayed sharp reactions to rifle what proved to be the decisive score. High fives all round.

JUDO

■ A DELIGHTED young team from the SENI-YAC judo club, aged between eight and 10-years-old, gained three golds and a silver at the Devon mini mons competition on the April 10th. Pictured above with Andrew are, from left to right, Vailla Fountain (gold), Lucy Fountain (gold), Oliver Cobban (gold) and Leoni Cobban (silver). Barracudas at Mark Foster swim camp

■ A GROUP of swimmers from Bridport Barracudas had a fabulous day in Bristol last Thursday attending a swim camp run by Mark Foster, Damian Locasio and Katy Sexton.

This was an opportunity for the swimmers to be coached by some of the UK's elite swimmers and sports coaches.

They had a two-hour ses-

sion with fitness coaches learning strength and core training exercises followed by a two-hour pool session learning new techniques and training drills.

Barracudas head coach Dan Dew also attended the session where he was able to stand on poolside along with Damian Locasio, Mark Foster and Katy Sexton and glean invaluable knowledge to help

in future club training sessions.

The children had a great day made even more special by one of the coaches, Damian, who really engaged with the group, made them laugh and was genuinely interested in each child.

Damian has happily agreed to come down to Barracudas on Monday evening to cast his professional eye over the training schedule.

Islanders too strong for Drimpton in final

**DORSET JUNIOR CUP FINAL
PORTLAND UNITED YOUTH 3
DRIMPTON 1**

PORTLAND United Youth proved to be worthy winners of the Dorset Junior Cup Final played at St Mary's, Bridport last Thursday.

The Islanders who have only dropped two league points all season took the lead in the 16th minute from the penalty spot through Robert Maxwell, after Stuart Burley had been brought down by the Drimpton

keeper.

Maxwell then doubled the lead on the half-hour mark with a well placed header from a corner.

Fifteen minutes into the second half Grant Chance scored the best goal of the game, breaking infield on the left before drilling a well placed shot into the corner of the net.

Drimpton enjoyed their best spell of the match in the final 20 minutes and with a few minutes remaining Tony Farrell reduced the arrears for the Perry Street League team.
